## See you at the KFCJ Jazz Organ Fest and Penny Pitches

*Fundraiser begins on September 23rd*

Hello KFCJ Friends,

It was wonderful seeing so many of you at the [KFCJ Listener Appreciation Party](#) last weekend at [Sunnyvale Baylands Park](#). The sun was shining, KFCJ DJs entertained us with amazing music sets, and there was incredible live music. Thanks to [The Young Barons](#), The New Shockwaves and Dan Plonsey & Ethan Port for the memorable performances.

Our next event is [The KFCJ Jazz Organ Fest](#) THIS Sunday, August 27 in Foothill College's Appreciation Hall. The afternoon show (2-5pm) will feature jazz and blues on the Hammond B-3 organ with organists Sundra Manning, Adam Kipple, and Kevin Wong accompanied by drummer Akira Tana and guitarist Kai Lyons. ## On-Air Specials

[Subscribe](#)[Past Issues](#)[Translate ▼](#)**30 Years of Techno and They Putcha on the Day Shift...****Friday, August 25 10:00pm — Saturday, August 26 2:00am****Hosted by Goodwrench**

30 years ago, back in 1993, Goodwrench essentially got techno as sort of a 40th birthday present - quite by accident, too, as a result of a search for tunes by Brit band Moonshake. Listen in and Goodwrench will tell the whole ridiculous story (who deserves the credit, who deserves the blame). Expect a lot of formative techno from the early 90's that fueled his appreciation of the genre.

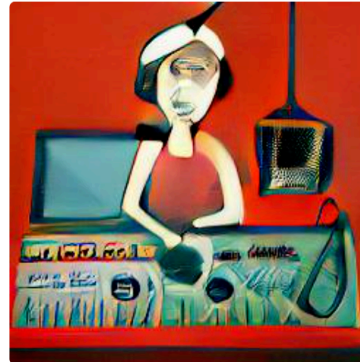

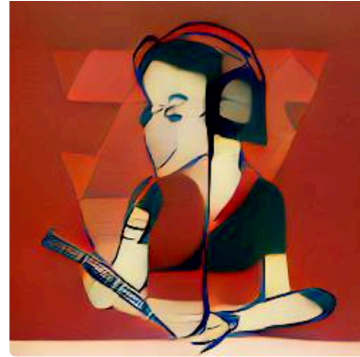

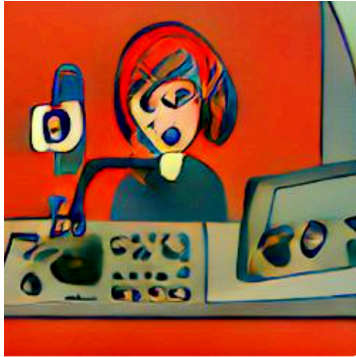

**Music of the Old West****Sunday, September 10 12:00pm — 3:00pm****Hosted by Devil's Advocate**

Howdy KFJC listeners, it's been awhile since we had an afternoon of old west music. Well, now we have 3 hours together to listen to some songs about horses, cowboys, the prairie and all those things reminiscent of a time long since past. Grab a cold drink, some of your leaf of your choice, find a shady spot to relax and we'll have ourselves good old time.
